

**A contracted Organiser of trade shows and conferences for 40 years.**

## ➤ OUR OFFERING

Our experience in the process of design, organisation and production of congress and trade shows, helps us provide either tailor-made services or an overall assignment for producing your event.

In particular, we offer:

- **Overall or tailor-made organisation of your congress, including specific products:**
  - ▶ Design & print and digital publishing.
  - ▶ On-line registration platform.
  - ▶ Platform for scientific paper management.
  - ▶ Specific products, such as poster panels, badges etc.
- **Overall or tailor-made organisation of your exhibition or trade show, also including:**
  - ▶ A specific offer for technical and logistic production.
  - ▶ A specific offer for exhibitor management with a dedicated web platform.
- **An integrated offer for visual design, CAP, print & digital publishing, signage and web**

## ➤ OUR ASSETS

- **As a professional organizer of trade shows and conferences since 1978**, we have 360° vision and command of all trades in the show. We have command of the entire production chain – which is a guarantee of **CONSISTENCY**.
- **We master organiser, contractor, venue, exhibitor and visitor's issues which need to be connected and aligned.**
- **We are a human-scale company.**  
Each function works in pairs, which assures reactivity and availability. Each contact person is bi lingual and permanently available by e-mail, direct line, and mobile phone.
- **We have designed our own tools and, above all, we have integrated key trades through:**
  - ▶ Our proprietary platform,
  - ▶ Our Design, Art and CAP service,
  - ▶ Our WEB service, together with our developers,
  - ▶ Our Technical & Logistics production team.

**Join our team of professionals !**  
**An assurance of consistency, and a guaranteed result.**
